### Board of Trustees (2025).

Amanda Mazur, President  
Connie Near, Vice President  
Margaret Clune, Secretary/Treasurer  
Jay Burrows  
Jean Lewis  
Sean Carey

# Strategic Plan 2024-2028

## About Us

Shelby Area District Library's service area includes a population of 11,520 residents (2020 Census) of southern Oceana County. The library has a long history, dating back to 1907 when it was formed as a village library. The District Library was organized in 1993 when Shelby Township and the Village of Shelby joined together and a perpetual library millage for 1.5 mills was passed by voters of the district in 1994. Library services for Benona, Claybanks, Ferry, Grant, and Otto Township residents are provided through annual contract agreements with each township.

## Strategic Plan 2024-2028

### Goal One: Community Involvement

*To collaborate with individuals and groups to enhance the services and resources of the library by providing resources for families in need, working with our Hispanic community, attending school and community events to promote the library, partnering with local agencies to inform patrons of local services, collaborating with townships to increase circulation, posting board agendas on the library's website, and advertising library programs and services.*

### Goal Two: Services

*To provide services in response to the needs of all patrons by offering events and classes, establishing a Seed Library and Library of Things, eventually becoming a "no fines" library, printing library flyers and brochures in English and Spanish, and adding more passive play items in the picture book room.*

### Goal Three : Fiscal Responsibility & Management

*To manage and monitor the use of financial resources that adequately funds and promotes the library's mission by providing the necessary resources, personnel, and programming to meet the educational, informational, cultural, and leisure time needs of the community.*

### Goal Four: Facilities and Grounds

*To provide the community with a facility which will meet current and future needs of the library by posting library signage in English and Spanish, obtaining an AED, and addressing building improvements/upgrades as needed.*

The Library Board of Trustees encourage you to share your ideas concerning the future of the library by emailing the Library Director at [tifhaight@shelbylibrary.org](mailto:tifhaight@shelbylibrary.org)
